

Welcome to the Champion Family!

When you joined Tupperware and Champion, you became part of an amazing network filled with some of the best and brightest! Even if you're not looking to "sell" Tupperware, it's essential to understand how to maximize your account. So, let's dive in!

First, allow us to introduce you to the wonderful faces and places you'll be meeting!

Meet Pamela Matheny-Clift, our incredible Business Leader at Champion! We're proud to be one of the TOP teams in Company Sales in the US. Pam's passion lies in serving and sharing with her team. As a successful yet down-to-earth leader, she truly knows how to love and mentor her champions. Based in Ohio, she actively supports Champion through online training, messages, and in-person events.

Champion is also home to an AMAZING group of Directors. Here, we cross-train and share openly, giving you access to multiple leaders who are eager to answer your questions, exchange ideas, and become what we proudly call TFF's—Tupperware Friends Forever!

The image is a screenshot of a Facebook group page for the "CHAMPION TEAM". The page layout includes a top navigation bar with the Facebook logo, a search bar, and icons for home, friends, video, and marketplace. The left sidebar shows "Your community chats" with "Champion Team Night" and "Virtual Bingo", and "More chats in this group" with "Chill and Chat! (website Q&A)", "Creative Selling", and "Party LIVE!". The main content area features the group name "CHAMPION TEAM", its description "Private group · 3.1K members", a row of member profile pictures, and a tabbed interface with "Discussion" selected. Below the tabs is a text input field "Write something..." and buttons for "Anonymous Post", "Photo/video", and "Poll". At the bottom, there is a "Featured" section with an information icon.

Show Us Your Face! 😊

We're a NATIONAL team, but thanks to social media, we don't feel separated by distance! We want to get to know you, and part of that is connecting with your smile!

Please share a picture of yourself on the team page and introduce yourself—along with what makes you smile! Tell us your favorite color, pattern, or collection. Make sure it's a picture of YOUR FACE—just you! Family and pet photos can come later!

If you plan to host Tupperware parties, whether live or online, I encourage you to keep your profile photo one that clearly shows YOU! Using the photo from your Tupperware website is a fantastic option. When customers can see your face, they feel more connected and comfortable purchasing from you—after all, they want to buy Tupperware from you, not your dog or your baby!

Your photo may also be used for recognition purposes, so choose your favorite! 😊

Let's make this journey exciting and memorable together! Welcome aboard! ✨

A GREAT WAY TO START

FRANK! One of the biggest things you can do to get your business going quickly is to make a FRANK list. Don't just "think" about who you want to have a party but actually open up your friends list and make a paper list of EVERYONE. You want 100+ names on this list.

Create your FRANK list and comment with how many people you have on it when you're finished. If it's not 100+, go through your friends list again, go through email contacts, phone contacts, etc. until you get over 100! 😊

CREATE YOUR CONTACT LIST WITH FRANK

You may not have heard of Frank, but he knows pretty much everyone and will help you build your initial contact list. To begin building your contact list, add your:
